Boundless Arts Risk Assessment Addendum – Post Covid-19

Boundless Arts Risk Assessment

Date: Sept 2026		Review date: Sept 2027	Conducted by: Lee Harvey Robinson, Founder & CEO
Identified Hazard	Who might be affected?	Current measures in place	Risk Level High Medium Low
Hall space - chairs, tables and school equipment in the way of the movement practised/performed/produced	All in class	*Time allowed before each session to check room/venue is as safe as possible *Clear guidance to children regarding risk *Adequate staff supervision *Activity adapted or curtailed if risk unable to be dealt with *Problems discussed with school office/caretaker	
Movement around the space - accidents caused by the movement, both to yourself and to others	All in class	*Adequate supervision by staff *First aid trained staff available *Knowledge of local first aid resources (e.g. medical room, staff first aiders)	
Non-attendance of a child for the session - child not at school; child has forgotten about the club	Specific child	*Check immediately on non-attendee(s). Refer to up to date contact list with parent numbers. Contact parent/carer if possible or via the school office * Inform school office and send written message via a child so that this can be chased up	
Club leader taken ill/unable to attend before the session begins - children unattended, expecting start of club	All in class	*Adequate notice to school office with alternative suitable replacement arranged *School informed in advance of who will deputise & DBS evidence *Replacement coach to be aware of risk assessment procedures	
Club leader taken ill during session - children left unattended and at risk	All in class	*School Office notified of illness immediately *Red card system for alerting school office	

Boundless Arts Risk Assessment

Boundless Arts Risk Assessment Addendum – Post Covid-19

Child in the group misbehaves - child(ren) being disruptive and causing potential danger to themselves and/or others in the group and needs to be removed from the group	All in class	*Parent contact list available; parent asked to speak with child *Immediate action necessary in the form of written evaluation of event *School office notified to summon extra staff help if needed *Adequate staff supervision	
Child runs off – child leaves the session without explanation	All in class	*Immediate action necessary *School office notified immediately via red card system *Written email to parents explaining the situation	
Illness - child is taken ill and requires more than basic first aid	All in class	*Practitioner is first aid trained and first aid kit is available *Mobile phone available *School Office notified via red card system *All children will be sat down and await further instruction for when it is safe to move again	
Medical information - child has an allergic reaction/medical need in class	All in class	*To understand who has medical needs in the group by speaking with Office Team and/or obtaining this information from parents at point of sign-up *Communicate with class teacher *Use red card system to inform office/nearest school adult if anything were to happen	
Lone worker - risk of emergency and supervision of children	All in class	*Practitioner to use the red card system to request assistance *Aware of other teacher's locations *First Aid Kit available *Office are aware of teacher to child ratio	
Working 1:1 - putting children into positions by physical touch and/or preventing injury via having to physically touch a child	Specific child and practitioner	*Model movements to child first, ensuring clear explanation given *Ask child before making contact *Ensure parents are aware this may happen before signing up to the class	

Boundless Arts Risk Assessment

Boundless Arts Risk Assessment Addendum – Post Covid-19

Dismissal of children - child running out of class unaccompanied	Specific child	*Ensure children are briefed on behaviour and dismissal policies *Make them all line up and ensure that each parent/person collecting can be visibly seen before dismissing child *Stand on the door making sure the children are dismissed one at a time and are ticked off the register as they leave	
Disclosures made by children or safeguarding concerns - child tells practitioner something that s/he feels needs further attention from safeguarding officers Practitioner notices signs abuse, whether it be verbal or physical	All in class	* Fill out a Safeguarding form at location * Speak with Designated Safeguarding Lead, (DSL), if possible * Leave Safeguarding form with a member of SLT * Complete a Boundless Safeguarding form and email immediately to LHR * LHR to follow up with school/studio concerned	

Low risk – No action & no additional controls required. Monitor to ensure controls are maintained

Medium risk – Action should be taken to reduce the risk through improved control measures

High risk - Activity should not take place until risk has been reduced
